Thought of the Week

On: Good Works

Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can.

- John Wesley

The King will reply, "I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me."

Matthew 25 : 40 NIV

UPDATE

As we are sure you have heard, we had an incident at school where a child had an asthma attack in which 911 was called. The child was taken to the hospital, but is doing fine and is already back in school. If this had been your child, you would have been immediately contacted, as was the parents in this situation. They were actually on the phone when the paramedics arrived and were able to speak with them directly. Thank you to everyone for keeping this child in your prayers while he recovered.
